

Sexting: Are You an Expert?

Did you know that any nude and/or sexual image of someone under the age of 18 is considered child pornography by law? While this is an adult charge, it can be used on youth if they have been reported on for distributing or possessing without consent.

Taking Content like that of yourself or someone else under 18= **Creation of Child Pornography**

Sending Content like that of yourself or someone else under 18= **Distribution of Child Pornography**

Keeping Content like that of yourself or someone else under 18= **Possession of Child Pornography**

If you have been involved in sexting and need help, the law is on your side, and so are we!
